# Thanks For The Memory

## To the seniors —

Thanks for the memory  
Of the class of fifty-two,  
You **are** a jolly crew.  
We give you our best wishes and send lots of luck to you—  
So thank you so much!

## To the underclassmen —

Thanks for the memory  
Of school and its fun,  
Of many a witty pun,  
But remember after you graduate the prize that you have won.  
Oh, thank you so much!

## To the faculty —

Thanks for the memory  
Of leadership and such  
You never were a soft touch.  
For this 'n that we thank you oh so much,  
Again we thank you!

## To our organizations —

Thanks for the memory  
Of faces always bright,  
That made us feel just right,  
To never see these again is like losing part of your sight.  
So thank you so much!

## To the activities —

Thanks for the memory  
Of dances and plays  
And twirp season days,  
To forget all this is the price age pays.  
So thank you so much!

## To the sports —

Thanks for the memory  
Of the night Oregon City came,  
For many a thrilling game,  
No matter if you won or lost you still brought us fame.  
So thank you so much!

The home of our memories, 1952

I'd like to wish you

By all standards this message should begin with a couple of "thank you's"—thank you not only to the students for their duo-gift of friendship and opportunity, but also for the combined experiences that make up school life. Some incident will be emblazoned upon the memory of each graduate. As the years go by, the joys and sorrows of adolescence will hold equally high positions on each guy's and gal's shelf of pleasantness. Only I won't thank these two things because they weren't offered with the intention of receiving homage. They are a part of high school.

High school could be looked on as a sort of two-fold existence. Nearly everyone expresses the feeling that he just can't wait to get out, but when the time comes the most hard-boiled must feel a few pangs of remorse, if for no other reason than the fact that he will now be out in the harsh world all alone. Yes, high school is a sheltered existence, and for that reason a rather agreeable one.

**FACULTY**

*To the Class of '52*

*May you join me in cherishing memories of the many fine and worthwhile experiences which we have enjoyed together during the past four years in MUHS. The greatest of success and happiness attend each of you in the years to come is my sincerest wish.*

O. D. Byers

*Superintendent and Principal*

*O. D. Byers*

*Our thanks to you Mr. Byers for all that you have done for us during the past fifteen years, for the many things by which we will always remember you.*

*Your spirit of co-operation, your active interest, and the unshaken faith in us and in our school have helped in all our activities, both scholastic and extra-curricular.*

*We thank you for the many hours spent both during and after school, and for your untiring efforts to place and keep ours as one of the top schools in the state.*

*We, the students, dedicate this our 1952 Maroon to you, Mr. Orrin D. Byers.*

*Thanks for the memory.*

*Eugene E. Dove*

We cannot deny that conditions today are different than they were when our parents were school students. Scientific progress and economic change have altered activities and customs. To this extent the elders must in all fairness adjust their premises in attempting to judge students today. On the other hand, neither time nor science—no, not even rationalization in man's expeditious mind will alter the basic virtues of character such as truth, respect, dependability, morality and charity. Though our social and governmental structures are threatened by the infiltration of a barbaric principle that the end justifies the means whether fair or foul, God-fearing peoples can never afford to compromise with this intruder. Above all else in your quest for education build character first. Character and personality are two of the most cherished personal possessions, riches and power cannot approach them. Leadership in our schools from the very top on down needs to be of the highest caliber. Congratulations to the class of 1952. It has been a pleasure to know and work with the students and faculty for the past four years at MUHS, a fine group.

# The Milwaukian

... After winning the 1950 Charles S. Jackson award for newspaper improvement, The Milwaukian wasn't about to drop its standard. With a paper every two weeks and most of them a bigger than ever seven columns, the standard was high enough to please anybody. Ably edited by a hard working gal, by name Louise Simpson, and losing its adviser, Geri Bowles, now Mrs. William Olsen, the paper came out never showing the work and trouble behind it all. It even sported green ink at Christmas time!

A convertible is the popular car when warm weather arrives. Ray Bryden's blue '39 Ford is a neat and trim example.

Eldon Edwards drives a '39, two door Chevrolet. His sedan boasts a smooth example of the very popular and correct primer coat.

Danny Hanna's "rod" does much to dress up the informal racing strip in front of the little red school house. His '36 Ford roadster has the distinction of being the only "full mill" in Milwaukie.

## Assemble

This '35 Ford coupe isn't much larger than its owner and master, John Gerber. Even a small car is a nice thing to have when it's as smooth as John's.

Dewane Walden pilots one of the more aristocratic members of the M.U.H.S. transportation system. His maroon '49 Ford is an unfinished, four door custom job.

The annual 1952 Sweetheart Ball sponsored by F. H. A. was held February 17. Queen Roby Taylor and her princesses, Carol Blatchford, Virginia Yunker, Shirley Fouch and Diane Nott, reigned over the dance. The court is chosen from the club by the members. This dance was, beyond a doubt, one of the most successful dances of the year. Bill Becker and his orchestra provided the music.

Square dancing, sack racing, a pie eating contest, and a beard contest highlighted the Athletta sponsored Farm Frolic which was held in the gym, Friday evening, March 28. Marilyn Seelie and Byron Boyd emerged winners of the pie eating contest. Sack race winners were Bev Phelps and Harold Davis. Rod Hall won the beard contest. Gail Townley and Don Preston reigned as Farmer and Farmerette of the affair, a very memorable event of the year.

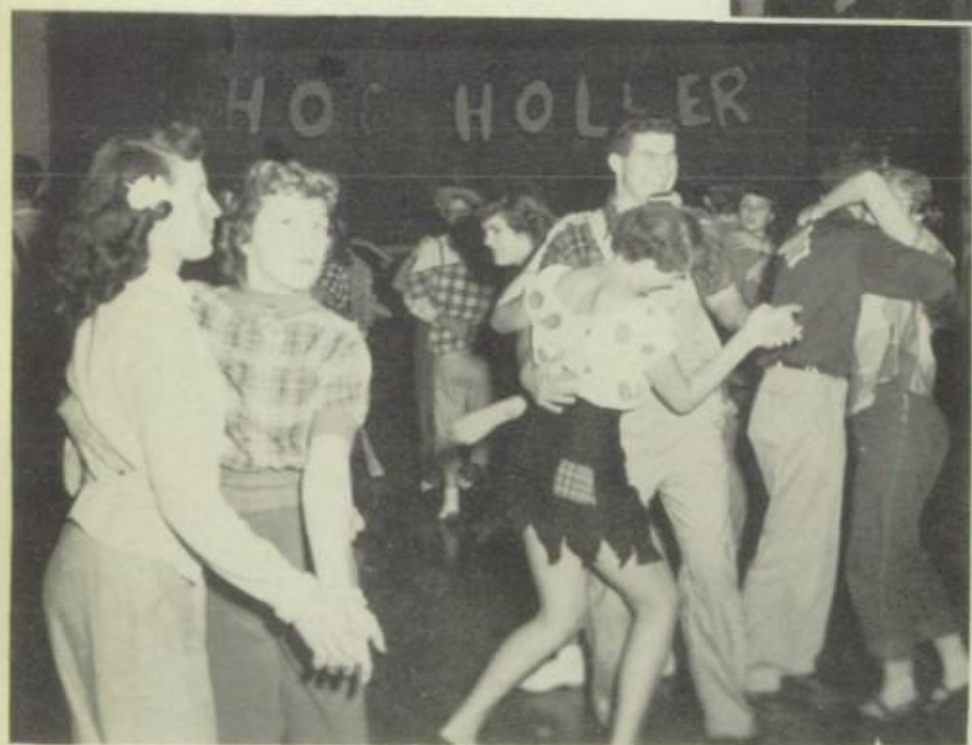

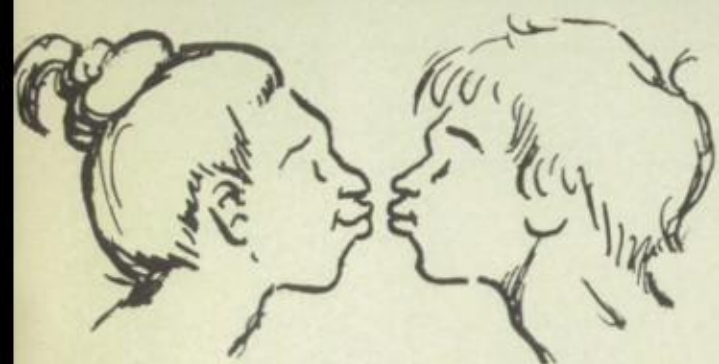

Marilyn Seelie . . . she smeared her competitors.

# SADIE HAWKINS DANCE

Daisy Maes, Lil' Abners, and Moonshine McSwines were in abundance November 17. The occasion was the annual Sadie Hawkins Dance sponsored by Girls' League. This yearly event usually brings out the "dog patchiest" in the way of costumes and antics, and is a consistent success from year to year. JoAnn Wheeler and Oris Hayden were chosen as the boy and girl with the most outstanding costumes and each received a prize.

#### COACHING STAFF

Mel Krause, Wayne Sturdivant, Jerry Lillie, Bill Foelker.

Jerry Lillie hails from Portland originally where he attended Grant High School and became a fine athlete; then he entered University of Oregon where he lettered four times in football and once in basketball. Before coming to Milwaukie he coached in the Hawaiian Islands and in 1948 Lillie's Willamette University Bearcats' copped the Northwest Conference championship. Then he became the University of Oregon's backfield coach. Jerry coached varsity football, frosh basketball, frosh baseball and revived wrestling from the mothballs at Milwaukie. Jerry will become vice-principal next year along with being athletic director. He will be replaced by Norm Martinson as head football mentor.

Wayne Sturdivant came to Milwaukie as coach in 1946. His first duties were in coaching varsity track, jayvee basketball, and assisting Merritt McKeel in coaching varsity football. In 1947 Wayne took over varsity basketball and jayvee football and has since produced three district champs and two second places while coaching basketball. Wayne was born in Oregon City and spent his early years there. In high school he earned three letters in basketball and one in track. From O. C. he went to Willamette University and then served four years in the service before he came to M.U.H.S. Wayne has produced some fine record breakers while coaching the track field events.

Bill Foelker, track coach and assistant football coach is now finishing his fifth year at Milwaukie. Bill attended Hillsboro High School where he lettered three times in football and track, and twice in basketball. Bill then went to Pacific University where he earned his letter three times in football and twice in track. Then he was called into officers' training at College of Pacific in Stockton, California where he finished his college education. Bill has a great asset to his coaching—the ability to get a team well trained and conditioned in a short period of time.

Mel Krause, Milwaukie's baseball coach and jayvee football, and jayvee basketball coach is in his first year as a Milwaukie tutor. Mel graduated last year from the University of Oregon where he starred in baseball and basketball. Mel holds the Northern division free throw percentage record in basketball. Mel, like Lillie is also a Portlander. He prepped at Commerce (Cleveland) High School where he earned three letters in baseball, three in basketball, and two more monograms in football.

**Row 1:** Jim Fowler, Vern Rutsala, John Beck, Dewane Walden, Les Martin, John Gerber, Floyd Bithell, Bill Usher, Ron Paulson, Carl Hansen. **Row 2:** Temple Hahn, manager, Al Bettger, Larry Haller, Lawrence Takahashi, Stan Byars, Adin Leach, Oris Hayden, Niels Martin, George Combs, Ben Gassaway, Bob Bausserman, manager. **Row 3:** Jerry Lillie, coach, Don Warner, Dick Pailthorp, Ed Benjamin, Lee Smith, Wilfred Vogel, Kay Yoshitomi, Jerry Finlay, Bob Reeves, Bill Foelker, coach.

Jerry Lillie came to Milwaukie from the University of Oregon in Late August to find a hopeful group of candidates awaiting his call for spring practice. Potentials were singled out and prospects for a good season were very good, but getting used to the switch from the double wing to the "T" formation took time. The Maroons entered the Loop Valley Coast League, giving them one of the toughest schedules in the state. A green team took the field and learned, but didn't win too many. The season had its bright spots also. The maroon and gold clad Mustangs on September 21, gave a good Central team a terrific battle before bowing 6-0. On October 12 the Maroons blistered Hood River 25-6. The Milwaukie "11" ended the season by being "outswum" by Tillamook 14-13, and then whipping the Lions from West Linn 19-6. Jerry Lillie deserves a lot of credit for planning Milwaukie's return to prep football supremacy by teaching the boys the game while they are still in grade school and while they are frosh.

Halfback John Beck and fullback John Gerber were the co-captains of the Mustangs. Tackle Floyd Bithell was named to the first team All-Conference, and diminutive halfback, Dewane Walden was honored with the most inspirational player award.

Completing his fifth year as head basketball mentor, Wayne Sturdivant built one of the best casaba squads Milwaukie fans have seen in a long while. The team was comprised mostly of sophomores and juniors, who lacked experience against good competition. But paced by six-foot, All-State, senior Jerry Zimmerman, the mustangs ran up 17 wins while losing 9 tilts.

Zimmerman led the Maroons through a successful regular season having a big night against Parkrose, hitting the hemp for 37 counters; then the sophomore studded and Zimm-led Maroons swept the district 12 title with Zimm hitting for 31 markers against Molalla.

Milwaukie's trip to Eugene for the state playoffs did not turn out too bad. The Maroons lost a real heart-breaker to LaGrande 42 to 40; then won against Corvallis for Milwaukie's first win in state tourney play. The Mustangs were soon eliminated by a taller Salem quintet. Zimm was named to the All-State second team and Milwaukie posted the best defensive record in the tournament.

Milwaukie dropped the fray 55 to 38.

Larry Larsen (11) Milwaukie guard is just about to register two of Milwaukie's 54 points that were racked up against O. C. Others identified are Jerry Zimmerman (23); O. C.'s Elvin Hauck (13); O. C.'s Jack Montgomery (behind Zimmerman and Hauck). O. C.'s Johnson (11); Patterson (32), and Nickles surround Bill Fredericks (15). Gordon Olson (20) and Stan Byars (10) look on.

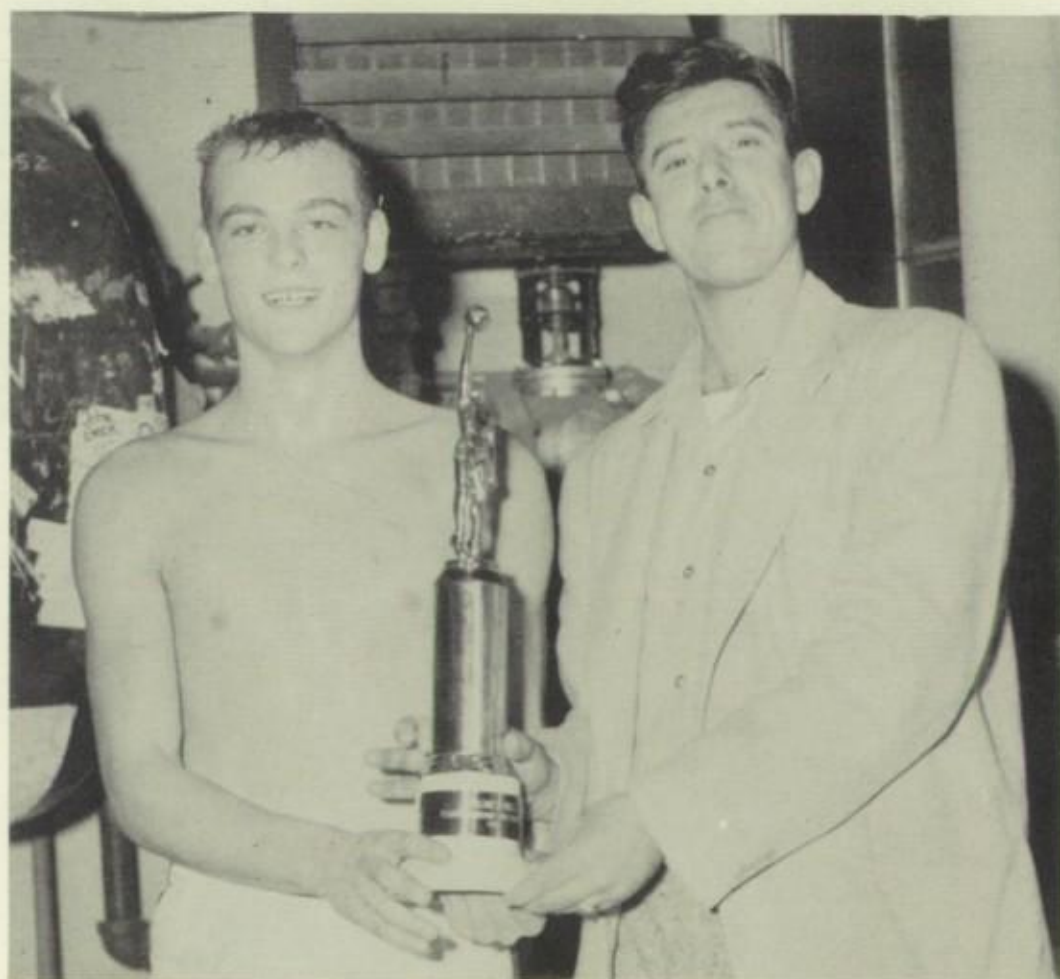

Milwaukie receives District Championship trophy.

### Milwaukie's ALL-STATERS.

Jerry Zimmerman became the first Milwaukian to be named to the All-State team. Zimm poured in 533 points during the 28 game season. Jerry is no doubt one of the greatest basketball players to ever play for MUHS. He has been nominated to play in the annual North-South game which is held in Kentucky and is made up of the outstanding prep basketekers in the U. S.

## VARSITY BASEBALL 1952

With nine returning lettermen forming the nucleus, Mel Krause is building a top notch diamond nine at Milwaukie. The "big gun" in the Maroon attack is top Major League prospect Jerry Zimmerman. John Beck, Jim Scott, and Gordy Palmer are Milwaukie's other "big stickers."

Hal Davis, Ed Bausserman and Larry Haller share the Maroons pitching chores. Krause is building a fine infield—Gary Cannon, Carl Woodburn, and Jim Scott are the juniors starting in the infield along with sophomores Stan Byars and Larry Larson. Jim Fowler, Denny Gass and John Beck round out the team in the outfield.

A lack of hitting and faulty pitching at times, may keep the Mustangs out of the state tournament but it is still one of Milwaukie's finest nines in years.

## A black and white illustration of the Peace Memorial Chapel. The building is a single-story structure with a prominent gabled roof and a large, leafy tree in front of it. An American flag flies on a tall pole to the right of the building. The text "PEACE Memorial Chapel" is visible on the building's facade.

A large, detailed illustration of the Liberty Bell, showing its characteristic crack and the inscription "AMERICAN LIBERTY". The bell is rendered in a classic, slightly stylized manner with fine lines indicating its metallic texture and the depth of the crack. It is positioned centrally at the top of the page, hanging from a dark, solid-colored support. The background of the entire page is a light, textured gray, and the overall design is minimalist and iconic.
